

Miniature Edge Plane

05P81.01

This plane is a scaled-down version of the Veritas® Iron Edge-Trimming Plane. The body is investment cast stainless steel that has been accurately machined.

Blade Geometry

The 0.060" thick by 1/2" wide A2 tool steel blade has the bevel ground at a 25° angle.

Note: A corrosion-inhibiting paperboard chip is included in the case. It will provide continuous corrosion protection for up to two years in a closed case.

Accessory

05P81.02 A2 Replacement Blade
